OPERATION Startfish

WE DID IT! Not only did we raise the funds necessary to build a house for a destitute family in the Caribbean or Latin America, we EXCEEDED our goal of \$2,600. (We are over \$3,000 and counting!) The additional funds will be used by "Food for the Poor" Ministry to feed a nutritional meal to over 8,000 children. That's right, over 8,000 children! According to "Food for the Poor" publications, they are able with \$90 to feed 1,800 children one nutritional meal.

On behalf of Trinity Lutheran Church & School, I want to thank our ELC families, our elementary school families and our worship families for their willingness to participate in this worthwhile and uplifting event. It is truly a "God thing" that together with each family giving something and each family choosing to make a difference, Trinity will not only be able to send funds to "Food for the Poor" Ministry to build a house but will send additional funds to feed many hungry children a healthy and nutritional meal. Well done! Thank you! Give yourselves a hand and a great big "Alleluia" to God!

Thanks for your sacrifice and participation.

Terry Beltz, pastor

OPENING THE TIME CAPSULE

Friday, May 1st will be a special day at Trinity. In the afternoon we will be digging up a time capsule that Trinity's former 3rd grade class buried in the year 2000. These students are now seniors and will be graduating this spring. In addition to digging up this time capsule, our current 3rd grade class will be burying their own time capsule. Former students, teachers and our past principal during this time have agreed to come back. We'll keep you informed of more details as they get planned.

CELL TOWER CONSTRUCTION

Construction activity is currently taking place on the hill next to the existing cross cell tower. AT&T is constructing two additional cross towers in proximity to the existing cross tower. The construction along with heavy machinery will continue on the property and should be completed shortly.

LUTHERAN VALLEY RETREAT WEEKEND

Trinity is sending volunteers to Lutheran Valley Retreat near Woodland Park, for their annual Family Work Weekend May 8 - 10th to rebuild their campfire worship area, paint, stain, spring clean in & outdoors. Douglas County Thrivent has graciously granted \$1320 for supplies needed for the Work Weekend! Families or adults may sign up at no cost! Contact Cheryl Jebson (our youth secretary) at 303-841-4660 x323 for details! It is a great opportunity to lend a hand to this camp ministry & enjoy the great outdoors! Come experience campfires, devotions, & a chance to develop new friendships!
